To make an appointment with an escort, you will need:

1. Your name
2. Name of hotel, address, and room number
3. Phone number
4. Name of the girl
5. Time to meet (agora means now)

Book

A book with pictures of the models with faces showing that can be brought to your hotel room usually for a small fee

Private

A private room on premises or arrangement with a love hotel that can be used to meet escorts; sometimes called a local

Key words in portuguese:

completa/completinha = anal
oral completa ate o final = blowjob to completion
dupla = two girls (not necessarily lesbian though)
festa/festinha = group party
traco = fee for changing partners

Phrases frequently encountered in escort ads:

estilo mulherão - full body, big tits and ass (something like Gena Davis)
estilo mignon/mignonzinha - little, skinny but with nice tits and ass (like Sandra Bullock)
estilo ninfeta/ninfetinha - teenager/jailbait/nympho (Britney Spears type image)
estilo gostosona - "Yummy"/delicious - doesn't refer to any body type (but definitely not waif-like)
estilo patricinha - "little rich bitch" style (think Patricia Silverstone)

seios estilo U.S.A. - big tits like an american girl
estilo namorada/namoradinha - like a girlfriend
estilo menina/menininha - young girl, sweet innocent (as opposed to ninfeta who is more overtly sexual)
estilo manequim - fashion model, so this is the skinny type
estilo falsa magra - literally "fake skinny girl" - this is the big hip, small waist, big tits girl (Victorias Secret type models)
estilo garota de shopping - like a shopping mall salesgirl - again a question of attitude more than looks
